

FAQs

Here are some of our most Frequently Asked Questions. Please feel free to contact us with any questions you may have about our services.

Frequently Asked Questions Question Do you offer discounts for bulk buys? Answer Yes! Follow the links on the menu to view the available package deals for articles, blogs, product reviews and forum posting. The more content you purchase, the more you will save. Question I have had difficulty getting articles that make sense from my contracted writers. Is English your first (native) language? Answer Yes, in fact English is the only language I speak, so I have had ample practice! All articles will be written with appropriate and correct use of grammar, syntax and spelling. Question Does the Article Princess site offer more than just articles? Answer Absolutely. Article Princess can work with you on a wide variety of genres according to your individual needs. Please contact us via email and let us know what you have in mind….. Question Are you able to incorporate key words into your articles for improved SEO? Answer Yes. Please specify the details of your requirements in your email and Article Princess will work with you to create whatever it is that you need in your content.
