

## The Issue of Remaining Neutral

Technically, journalism is supposed to be an unbiased view of events. It is supposed to be neutral. We all know its not. Modern media is so full of opinion and one-sided view points that it is almost impossible to find a genuinely neutral news story. When writing, this is something that often needs to be faced. Writing is a tool that can be used to successfully persuade and educate, however, there is a line of integrity that suggests the reader should know where you stand as a writer. Are you writing what is supposed to be a neutral article or are you trying to push a point? It's worth thinking about&hellip;&hellip;
