

Expanding your Creative Capacity

Never underestimate your ability to be creative! It's very easy to feel dissatisfied with your writing, and to feel like it will never be quite how you would like it to be. A very wise and anonymous person once said "Never be afraid of growing slowly; only of standing still"; Every time you write, you will improve on the last time. You will learn what works and what doesn't. I know I've said it before, but enjoy the journey!!
